Great German charter company in Spain, Mallorka

I had a nice charter at Mallorka on Oct 13 2018 with Bavaria 37 2014 Black Pearl.

Good price, competent English speaking staff, nice owned boats, friendly owner, good variety of options (grill, SUP)

"Modern boat, great harbor, very nice team" Mar 17, 2021 243514

#1 of 5 Boat Tours & Water Sports in El Arenal The stay in El Arenal on "IRIS Yachtcharter" was fantastic. The marina is modern, spacious and quiet. In addition to a pool and two excellent restaurants / bars, there are also well-maintained and clean sanitary facilities and plenty of parking spaces. Our vacation home was the "HYGGE", a nearly 12m long catamaran, which offered us enough space with its 4 cabins and an extensive lounge area. Equipped with a gas stove, oven, sink and 2 bathrooms, we found everything our heart desires. Very tastefully furnished with a sofa corner, dining table and invisible, but seemingly never-ending storage space - you can really enjoy yourself here. Buying provisions is no problem in several supermarkets within walking distance. In addition to the chic boat, the extremely friendly nature and helpfulness of the team also contributed to the great experience on

We had a wonderful week aboard the HYGGE! The catamaran is very spacious and offers a beautiful outside and inside area, it was the perfect boat for watching the sunset with a glass of Champagne. The dinghy is easily accessible and useable since it is attached by pulley. Not only does the port in El Arenal have a relaxing atmosphere, but it is also located close to the airport, with restaurants, supermarkets and a nice beach within walking distance. We are already looking forward to coming back next summer. Thank you so much for these amazing holidays!
