Booking Cabrera

The Cabrera archipelago, with its exceptional scenery and crystal-clear waters, is a national park very popular with crews. To preserve the biodiversity, there is a limit to the number of yachts allowed to overnight. All our yachts have a day permit for Cabrera. Your visit only needs to be registered. An overnight stay should be booked 20 days in advance as the buoy field fills up quickly. The IRIS Yachtcharter team is happy to help you with your booking for a small fee. To do this we need the following information:

First name and family name
Nationality
Identity card/Passport number
Sailing Degree
Country
Address
Region
Town
ZIP code
Telephone number
Mobile phone
E-mail

Or if you would like to do it yourself, just ask us about your yachts data and head over to <https://www.caib.es/rescabfront/>
